THRUWAY TOLL PASS NOW COMPATIBLE WITH ROC AIRPORT ZOOM LANE PROGRAM

Monroe County Executive **Cheryl Dinolfo** is pleased to announce an upgrade to the passenger parking experience at ROC Airport.

As of today, parking customers utilizing the long term ramp garage are now able to register their Thruway Toll Pass (E-ZPass) as part of the Airport's Zoom Lane Program. With this program, customers using the long term ramp garage benefit from the following:

- **Ticketless Entry & Exit:** Pull up to the gate to enter or exit the long term ramp garage. The Zoom Lane transponder and now Thruway Toll Pass activates the gates.
- **Reduced Exit Wait Time:** Passengers using the Zoom Lane Program experience shorter lines and wait times thanks to a dedicated lane (Lane 5) for their convenience.
- **Easy Reporting:** Parking receipts are automatically emailed to your email address on file upon exiting for easy tracking and reporting.

If you are interested in registering your Thruway Toll Pass with the Zoom Lane Program you simply need to register your Thruway Toll Pass with MAPCO online at www.mapcoparking.com/roc/zoomlane.
